

To Whom it may concern at the FCC,

Please, please do not supercede the Wisconsin Do Not Call legislation. Please let Wisconsin's law stand. I do not want to go backwards in our Do Not Call legislation. As consumers we have been subjected to annoying telemarketing calls at all hours of the day seven days a week prior to Wisconsin's Do Not Call legislation. Please do not weaken our current laws in the state of Wisconsin.

Sincerely,

Kerry Maki
